

## WEEDERS DIGEST

Hull Garden Club  
November 2017

“ I prefer winter and fall, when you feel the bone structure of the landscape - the loneliness of it, the dead feeling of winter. Something waits beneath it, the whole story doesn't show.”  
Andrew Wyeth

DAFFODIL TRAIL: As in the quote above.....we know what waits below! Dozens and dozens of daffodil bulbs that have been planted around town, thanks to the hard work done every year, championed by Anne Musmeci. Thank you, Anne!

WOLLASTON GARDEN CLUB PRESIDENT'S TEA: On October 19th, 2017. Accompanied by Ruth Mullen, we enjoyed meeting other South Shore garden club members, from small and large clubs. The speakers for the event were amazing floral designers (two very funny ladies), Elaine DiGiovanni and Linda Ladd. They captured the interest of all, while making their autumn arrangements.....drawings afterwards. I came home with three table arrangements made by the Wollaston club.

BEAUTIFICATION: As you may have seen, we are continuing to perk up the town traffic islands, clean-ups, and “clean- outs” ( as on M street site). This is an ongoing project, but would like to thank all involved, as the weather is now getting unpredictable. Gen Sartell still has new ideas for the new site, so if you are interested, please let her know.

GCFM FALL CONFERENCE: held on October 25, 2017. Myself, Helen Wieser, and Jean-Marie Parkes attended the event. The three floral designs, at the afternoon session, were demonstrations of three newer design types...( Cascade, Featured Plant Material, and Low Profile Design). The best part.....we were awarded a \$200 civic improvement grant from the GCFM!!!! Thanks to Maria Gianquitto for enduring the paperwork, and all the members and husbands who did the “dirty work”. We have been RECOGNIZED!

XMAS WREATH PROJECT: is in the works with Candy Barone again championing! See her if there is anything you can do for this annual project to help out.

UPCOMING EVENTS: HOLIDAY HOUSE TOURS in South Shore and Cape Cod to enjoy!!!!
